

WHAT DO I NEED TO GET STARTED?

STEP 1: Get your Scottish Minimoto Race Membership

- You can compete in the Scottish Minimoto Championship by either being a full member of ESKC plus a section member for the Minimoto: £130 and £15 respectively OR purchase a day membership plus a section membership for the Minimoto £40 and £15.
- The Section member fee (£15) Enables you to apply for your SACU Competition License through SuperMoto , as they are affiliated with SACU.
- ESKC Annual and day Membership can be purchased [here](#)

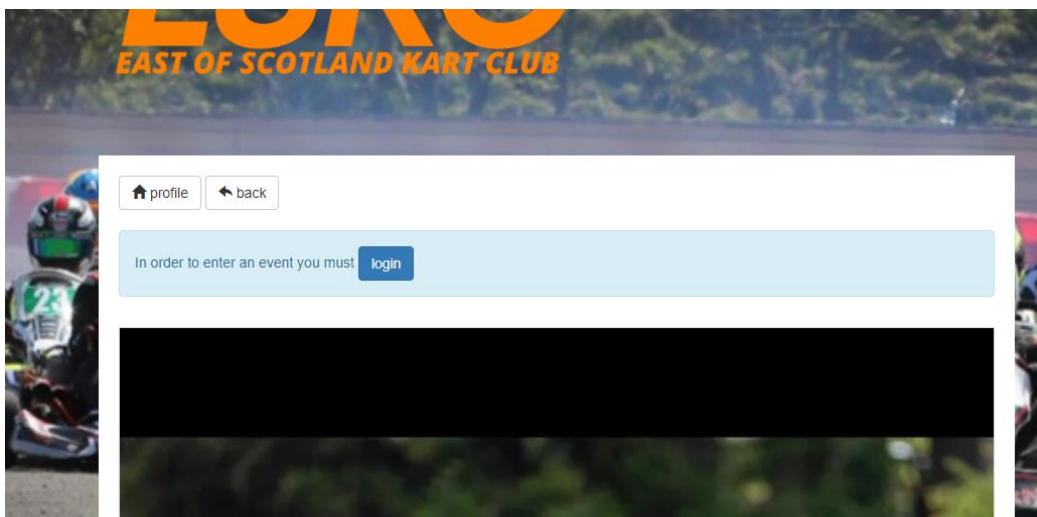

How to set up your profile in ESKC and SACU

For both ESKC annual membership OR day membership you must first create a profile(account). Once created, you have to then join the Mini Moto Section. Once this is completed you can then enter events from the calendar. Please note that for Race days you must also have a SACU riders license.

For SACU you must create a rider profile (register). Once created you must then apply for the license. Please note that younger riders need a copy of their birth certificate uploaded.
